

PENNWOODS BODY BUILDER 4000

Pennwoods Body Builder 4000 is a 40% fat, 26% protein nutritional supplement designed to promote weight gain and act as a body conditioner.

Body Builder 4000 provides:

- Effective method for an under conditioned horse to gain weight
- Excellent high concentration energy source to assist growth and maturity in young horses
- Safe weight gain in pregnant mares: decreased incidence of colic caused by overfeeding of traditional feeds
- High energy concentration & calories which permit lactation mares to maintain proper body weight
- High fat content that recent university research shows doubles antibody production in colostrum
- A safe method of spring conditioning for horses
- Ability to keep performance horses in top body condition during peak season

We encourage you to incorporate *Body Builder 4000* into your present feeding program. Your horse will love you for it. We look forward to hearing from you, and welcome your comments and questions.

Contents	Amino Acids	Vitamins
Protein (Min.) 26 %	Methionine 3,880 mg/kg	Vitamin E 22 mg/kg
Fat (Min.) 40 %	Cystine 3,950 mg/kg	Thiamine 4.5 mg/kg
