

## PENNWOODS NXT-GENERATION

*Pennwoods Nxt-Generation* is the most progressive horse feed in the past decade. It is the only completely fortified “cool energy”<sup>®</sup> nutritional equine supplement available to today's horse enthusiast. Whether your horse is a:

- Breeding stallion or mare
- Young and growing juvenile
- Senior horse
- Show & performance horse

*Nxt-Generation* will provide all the “cool energy”<sup>®</sup> and nutrition needed to maintain your horse in peak condition. *Nxt-Generation* combined with oats will out perform all those commercial feeds. We encourage you to add *Nxt-Generation* into your current feeding program. Your horse will love you for it! We look forward to hearing from you, and welcome your comments and questions.
